Dear Parishioners,

On this sixth Sunday of Easter, we continue to hear from the 15th chapter of the Gospel of John. Last week we heard about Jesus being the True Vine and this week John continues this discourse by connecting the Vine to God's love for us. God is love and we experience His love through the birth, life, suffering, death, and resurrection of His Son Jesus. John reminds us to live in Jesus' love and we live in His love by keeping His commandments. We are reminded that we bear much fruit by living in His love and sharing this love in our daily lives.

Next Sunday we celebrate the Feast of the Ascension of the Lord. In the western parts of the United States, this Feast day has been officialy transferred from Thursday of the sixth week of Easter to the Seventh Sunday of Easter. Just a reminder to everyone especially for those of you who have recently moved to southern California from the east coast or other parts of the world, Thursday this week is not a Holy Day of Obligation.

In looking at this move in our liturgical calendar, it gives me the opportunity to teach that it is not important what day of the week that Jesus ascended to heaven. What is important and is our Catholic doctrine is that Jesus did indeed ascend into heaven and sits at the right hand of the Father. Because of this reality, the gates of heaven have been opened for us and Jesus prepares that place for each of us.

Refurbishing the Art Works

You may have noticed a different image of the Sacred Heart of Jesus that was on the large parking lot side of the Church by the candle stands. The original piece is being restored and will be gone for about 2 months. Once this piece is returned, the image of the Blessed Mother will be restored.

TREASURES FROM OUR TRADITION

In ancient Rome, the beautiful month of May was dedicated to the goddess Flora, the patroness of flowers and new life. May 1 was considered the beginning of abundant growth, and a day for public festivals aimed at expelling winter. Even after Christianity took hold, the customs of the pagan feast lingered behind. Long ago, there was a thirty-day devotion to Mary, sometimes called "Lady Month," which began on August 15. By the eighteenth century, the custom of assigning devotions to months of the year was developing. June, for example, was the month of the Sacred Heart, and October was for the Holy Rosary. Beginning with the Jesuit Order in Rome and spreading throughout the world, May has been celebrated as the month of Mary, the Blessed Mother, for more than two hundred years. That was a welcome remedy to some enduring pagan practices, such as maypole dancing and the crowning of the May Queen. Some historians say that in ancient times the May Queen was actually a human sacrifice. Devoting May to Mary is undoubtedly a better thing to do.
